

50th Anniversary Greetings

I am delighted to congratulate the Camden Choir on 50 wonderful years. You have brought such joy, both to your members and to everyone who has had the pleasure of attending one of your concerts.

**Sir Keir Starmer QC,
MP for Holborn & St Pancras**

As a former chorister at Winchester Cathedral (and a Patron of the Camden Choir) I have a lifelong love of choral music – too often neglected as a result of my recent day job. Singing some of the great choral works beats any football match or Olympic downhill slalom! Those of us who are lucky enough to sing are blessed indeed.

Huge congratulations to the Camden Choir on reaching their landmark 50th year! Their regular concerts at St Mary's Church in my constituency are so important to the local community and I know that their music is highly valued by people across Hampstead and Kilburn and the wider area. I am sure that the Camden Choir will continue to make wonderful music for another half century.

Tulip Siddiq, MP for Hampstead & Kilburn

Congratulations to the Camden Choir on its 50th Anniversary. Part of Camden's rich and diverse cultural life since 1972, the Choir has brought music and joy to so many people in our Borough, continuing to sing even during the toughest times of the Covid pandemic. I'm so glad that the Camden Choir is able to celebrate all that it has achieved through the years at its Golden Jubilee Anniversary concert this evening.
